

October 26th, 2023

Hear the Word that I am releasing upon you O my People of Ararat- A nation who are unique in their talents and skills given by Me. I am about to come out of my dwelling place to visit you Land by Land, Nation by Nation, and soul to soul.

Imparting my double-edged Sword dividing the soul from the spirit how I long to ablaze them all by my Fire. My visitation will capture everyone by Surprise and it will come upon all humanity who live on the face of the earth, like a trap.

The Spirit of the Almighty God says: "I will take you to your last breath then bring you back to witness My Glory. While your eyebrows are going up with these words, even now I AM at work. I will expose your Corrupt leaders those who sold you "O Nation of Ararat" and your Lands to the wealth of this world. But fear not O my defenseless people with no barriers and no hedge of protection for I have plans for you, plans to prosper you, and make you a holy nation in Me. "The Spirit of the Holy One says: "I will give some, NOT ALL, but some of your lands back WITH NO INITIATION OF WARS.

Yes, you heard it correctly, without initiating any Wars you will receive some of your lands back and only then you will know that the Lord your God spoke.

The Spirit of the Lord says:" Listen intently and heed. This will be a painful time; but with a prosperous outcome. Now give ear and repent and if you vowed to serve satan come out of that cult of darkness and repent of your evil doings. Repent of your murder and slander, repent of your lies, pride, and theft. Repent of your debauchery and prostitution. Repent from all evil and turn to me for my judgment is at hand and I will look with no partiality for the one who sinned will be the one exposed and judged accordingly.

Hence, I will make a spectacle out of them for the upcoming generations to view mesmerized, and learn never to seek the path of wickedness or serve satan. While I expose your leaders if you have been found to have served Mammon, you will also be exposed and judged with full measure; therefore, heed carefully and repent while there is still time.

The Spirit of the Lord of Hosts says: "Before my visitation, I sent a warning to those Leaders of your nation who whored with satan at the expense of the blood of the innocents by which they acquired wealth and power. But now it is time for accountability. It's time to claim mine for the earth reached its full measure, as my word says, "I came to bring Fire, not Peace." And the Spirit of truth will burn and scorch the earth leaving it open, thus, separating my sheep from the goats. It is the spirit that will burn many and leave others exasperated. For nothing that has been done in darkness will remain concealed, but rest assured all shall be disclosed for judgment and then justice will reign.

My glory will shine upon you and it will leave no room for doubt of my sovereignty and providence upon you. I chose Noah's Ark to settle on Mount Ararat to make you remember my miracle and the gift of deliverance for ages to come. You will see it; you will know it; you will

learn the truth about it and the truth will permanently set you free. Watch my hand move upon you and humble yourselves before me.

The Spirit of the Lord says, "I will give you new homes and will be your fortress. It will be my gift to you and I will put my name high above the hand that will deliver you this mission. I will rebuild you O land of Armenia from ground zero and make you a holy people in me, FEW, but surely holy, for not everyone will make it to the next age. Few will, and those are the blessed in me. I will imprint my law in your hearts and you will not need anyone to teach you about your Creator. Arise my people arise. Raise your hands and pray for this season to pass upon you gracefully and for My Divine Will to descend and take you into the Golden Age of Prosperity and Peace. For my words will fulfill as it is written in Mathew 5- Blessed are you who hunger and thirst for righteousness, you will be filled. Blessed are those who mourn for you will be comforted.

Blessed are you who did not give into the satanic cult of darkness nor you sold your soul to the devil for I will bless you with my Divine Wisdom and set you apart to enjoy the Fruit of Life.

Blessed are those who remained Humble in me for I will give them an inheritance they never thought it would be possible to attain.

I will restore what has been stolen from you and you shall reclaim your birthright in me. My given gift to you. Freedom and Joy instead of slavery and tears. Peace instead of Wars, love instead of hate, stability instead of poverty. I will replace the evil with good and the curses with blessings. Are you ready my people to go through the Fire? Are you ready to be refined like Gold? So, you shall be. Pray, Fast, Confess your sins, and Live. Choose today whom you will serve and come to me with a contrite heart and see if I would not Cloth you with Light and Compassion.

I Am, the Lord your God, The Lord of Hosts, The Great I Am.

Amen
