The Spirit of the Lord says unto the Shepherds of the Nation of Ararat.

So, you have gathered to see what you shall do regarding the trouble that hit your foundation. I saw what was devised behind closed doors and I tell you the truth time of accountability is at hand and no more I shall hold my hand back. I released Judgment on Cilicia on May 7<sup>th</sup> 2012 and it will not be withdrawn. As the writing on the wall for King Belshazzar so in the same manner I wrote on the Wall for you O House of Cilicia

Judgment on Cilicia 1265- It's inscribed and will not delay further for you did not heed the warning I sent during the year of 5773.

The Heavenly Court sat in Session in the month of Tishrei and you were found guilty of not gathering the flock. I, the Lord hold you accountable for the lost souls, I, the Lord hold you accountable for your lack of knowledge because of that my people are lost. Did you think I did not see what had been taking place? You say in your hearts, "The Lord God does not move," but in truth, I give sufficient time of grace and mercy to acquire many souls to repent and turn to me from their wicked ways. For you, "O Shepherds of Ararat confused my delay with slowness. You confused my time of grace and mercy with indifference. Instead, I Am patient with you, not wanting anyone to perish, but everyone to come to repentance."

Every meeting you had at that table I Am present with my angels and every word you uttered against my people I recorded against you. For you were judged and found guilty for lack of prayer. You were found guilty of scattering my sheep. You were found guilty of opening the door for innocent blood to be shed, and woe unto you for I am holding you all who are guilty of this sin accountable. So, by your own words, you are acquitted and by your own words, you are condemned. See to it, if I cannot gather my people and assemble them as one under My Name? See to it, if I cannot revive the faith of this nation to its roots just like it was in the year 301 AD? See to it, if I cannot, assign a new shepherd who will intercede for my people of Ararat.

You all had your back door deals to sell the soul of this Nation out. **HAD I NOT INTERVENED YOU BROOD OF VIPERS** My people of Ararat would have long been lost all at once. So, you chose Mammon over the One True Living God? And you think your false god, the Destroyer, will save you? Do you think Abaddon will save you? I only have a few full hands of servants in priestly vestments who did not bow the knee to Baal and I will bring them out and set them as examples of Faith, Hope, and Love for my Son Yeshua. They will be the banner of this Nation of Ararat.

My Word is free you Wolves. My gift of life is free it is not for sale neither my people of Ararat are for sale. You acquired wealth and Power Seats at the expense of the innocent, which **I Am acquiring from you penny by penny.** I chose the Nation of Ararat to be the first to praise My Holy Name and make it known amongst other nations who worshipped the sun, moon, and fire. You devised plans to destroy history and re-write the truth with your lies. But I say, **NAY**, for that shall not take place on the contrary soon I will disclose the truth about these Unique people and their holiness in me, you hid the truth about their ancestry line and their descent from Noah's

bloodline. You scattered them far abroad and trafficked my people to foreign nations. Did you really think I did not see your evil deals?

You wicked ones who lengthen your vestments and do a prayer then extend your arms for repayment. Did Yeshua charge to save you on the Cross? When did you conclude that my Church could be turned into a den of robbers and a source to conduct business? The church has been bought and paid for by the Blood of My Son Yeshua and He is the perfect and the invisible image of Me.

If my people are far from me, it is because of you. Did you ever call a National Day of Prayer to save your Nation from the enemy's clutches? Did you ever pray and fast to give me the right to interfere and destroy the plans of the enemy? Why would you? when all took place because of your secret deals?

How much longer do you think the earth will conceal the innocent shed blood at your hands? Did you send my new generation to war knowing they will lose? You call yourselves Shepherds of Ararat, but I call you Wicked servants of the kingdom of darkness. You do not gather in public for people not to see you together and you meet in secret places to bring the plan of the enemy into play. But I see it all and know it all. Your sins have reached heaven and not one will be spared who did not spare My own. The Spirit of the Lord says, "I will have mercy on whom I have mercy and I will have compassion on whom I have compassion." So "In everything, therefore, 'treat people the same way you want them to treat you, for this is the Law and the Prophets." With the same measure, I will measure unto you, and with the same treatment, I Am treating you.

At the end of the fulfillment of my Word the Nation of Ararat will be completely revived in their Faith and ready to serve their Lord. I will be their Banner and the Lord Sanctifier I will heal their wounds and restore their stolen rights. Only then you will know that the Lord of Hosts has spoken.
