

## **Prophecy Over the Corrupt Leaders of The Armenian Nation & Church**

6/5/2018 Received prophecy

Revival of faith Is coming to our nation at the lowest point the lord will send the holy spirit and revive the church. All will rise we will have one voice to pray to God,

Your county was shaken as a nation due to corruption and it was dealt with as I bring in divine justice to all corrupt leaders. Now your nation will be shaken for a second time this time church leaders will be dealt with who sold the flock out.

I prophesied about this in 2012. I saw the rod over Aram It was a spoken word Who sold the church to the wealth of this world.

I recalled the judgement on Cilicia 1265. Is the cup of wrath of God

1265 HAND OF GOD

A figure of speech which points to God's sovereign power in creation and in his actions on his people's behalf, especially in redemption. Also used as a symbol of authority and in taking oaths.

God creates by his hand

I saw the number 1265 written in smoke. Judgment On Cilicia 1265

I saw this written like that

The corrupt government leaders were shaken and taken out now the turn is to the corrupt leaders of the church the Hired hands corrupt leaders the Lord says.

He will unify the church and appoint one leader that will be like David guiding his people and will look after them.

2019 is an important year for us.
