

Received the Word on Sept 7, 2025

For the People of Ararat on the Upcoming Days of Darkness.

It is so Long since you have had a prophetic word spoken to you for direction. But now, is the time to listen carefully and intently. You O people of Ararat are not ready for what is coming.

As the separation of light from darkness is taking place. Even now, as you hear these words you are taking lightly indicating it is recorded in the bible as the word. However, this word of the separation of Wheat from the Chaff is at work NOW and very soon The Father, God Almighty, The Blessed and the Holy One, The Creator of Heaven and Earth will pull the veil off of the world and people's hearts will be laid bare and exposed for who and what they are.

It will be the great exposure wherein humanity is not ready to go through. Darkness will cover your land and within your borders the demons that once you served will be unleashed to torment those who bowed down to them.

These words are true as the Father is Getting ready to avenge the blood of ABEL from the offsprings of Cain. No longer will the world hide behind the Veil and no longer shall the earth conceal the innocent blood shed in it. You will witness the waters turn red like blood and this is the sign that the earth is releasing the crimes committed in it. Earthquakes will occur to release the buried bodies and the bones of those whose blood has been shed. The earth will quake and shake like never before because it will release all that has been concealed for centuries. Those whose hearts have been found far from repentance will be in great anguish and agony. A spiritual mirror will be displaced in front of every soul to show the state they are in, just as the Father sees them all without exception. Just in the days of Pharaoh in Egypt so it will be for 3 days. For sinners' darkness will be intense they will not see anything else other than their sins exposed and their souls laid bare. Food and Drink will not be possible for them as so many will be filled just by seeing, living, and experiencing their own sins. Many will die due to the Heavy burden of their iniquities and those who make it through the suffering after 3 days will have a choice to Choose God or the Devil.

As for the righteous their graceful hearts will emanate light and the sanctification of their souls will enable them to turn into lamps shining in darkness. They will be at peace due to their repentant hearts and righteous acts, protected, and sealed. These are the ones that their love of God will emanate light unlike any other in darkness.

They will pray for themselves, their families and humanity calling upon God's Divine Mercy. After 3 days when the earth has brought to light every crime and innocent blood shed in it. It will look different purified with vibrant colors, and the sun will shine unlike any other times in

the history of the world. The sky will open clear, clean and as blue as you have never witnessed before.

The righteous will bow to praise God for His Justice and they will sing songs of Praise that will echo 7 continents all at once. The earth will no longer look the same as you once knew. Animals will come out looking up praising the Lord for sparing them and the ones died will be forgotten with no remembrance of them.

Seek ye now the Face of the Lord O People of Ararat so that when the moment arrives you can make it out with sanctified souls. Repent from the heart for all your sins and make amends for them. For your number will be much less after these 3 days and the Father will make you into a Holy Nation in Him.

All will take place Sooner than its expected. You must be ready to face your creator. I will visit you when the Light shines again and will whisper the words of truth in your ears.

Seek ye the Lord O people of Ararat for your creator is about to pull that Veil and once lifted there is nothing can stop the Unfolding of truth from revelations of truth about your lives, souls, and the illusion you have been living in.

Remain in Christ for only through Him you can come to the Father.

I Love you All

The Spirit of Truth.
